SCHOOL DISCIPLINE POLICY

As a school staff, we are concerned about the safety and learning of all students who attend our school. It is our belief that each student has the right to attend school in a safe, relaxed, educationally sound environment, where consideration and respect are shown to all within that school setting. We realize that this goal can only be met if all of us, students, parents and teachers alike, cooperate and work together. We, at school, will do our best to be consistent, fair and honest when dealing with students.

We are striving to help our students develop self-discipline and we will give recognition to the students for their positive behavior. At times, students will have difficulty with self-discipline skills and may need some assistance in acquiring these skills. Consequences for inappropriate behavior may include a verbal reminder, a written reminder, and attendance in the detention room or suspension from school depending on the severity of the infraction.

Please review this policy with your child. Explain it in terms your child can understand. Both you and your child should sign this form indicating your awareness of this policy and your support in this endeavor. If you have any questions regarding this policy or your child's behavior, please speak to your classroom teacher, social worker, dean of students or principal.

I have read and understand the STOC discipline policy.

We, the undersigned, have read the Student Handbook of policies and regulations for St Teresa of Calcutta School and we agree to be governed by them. We accept the regulations in both letter and spirit. We are aware that compliance with the policies and regulations is part of the prerequisite for any student to be a member of the student body. Failure on the part of a student or parent to cooperate with the school or to comply with the school regulations may result in termination of the contract between the home and school.

The school rules, regulations, and policies listed in the Student Handbook may be added to or amended by the administration of St Teresa of Calcutta School at any time through oral or written notice to students and/or parents. The most current version is always found on the school website. Additionally, no handbook can address every situation. The representation of school guidelines is not meant to be exhaustive. The school is the final arbiter in any decision.

This contract must be signed by both the parent and the student and must be submitted to our main office by Sept 4, 2026. This contract will become part of the student's official school file.
